Report ID: "Zooming should happen about center of screen"

Comment: "Open"

Comment 2: "When you zoom whatever was in the center of the lower pane should remain in the center. That way it"

#443 Open Zooming should happen about center of screen.

Submitter:	Fitz Bush	Submit Date:	1/20/98 1:28:33 PM
Assign to:	Ed Bayiates	Close Date:	<<Unassigned>>
Final Resolution:	<<None>>	Build Number:	21
Severity:	Cosmetic	Platform OS:	All
Defect Status:	Assigned	Project:	NuGenesis 1.0
Subsystem:	Preview	Build ID:	1.x build
Customer Name:			

Description: When you zoom whatever was in the center of the lower pane should remain in the center. That way it looks like you're zooming in toward the center of the page.

Additional Info [7/28/99 12:28:00 PM(fbush)]:

Low priority. Only fix if time permits.

Change History:

7/28/99 12:28:00 PM(fbush)	Changed Platform OS from <<None>> to All
7/28/99 12:28:00 PM(fbush)	Changed Defect Status from Defer to Assigned
